

7 April 2003  
Application No.10/064,081  
Docket: 1069.co

**c.) Remarks**

Claims 1-15 are pending in this application. Claims 1, 8, and 15 have been amended in various particulars. The second instance of claim 13 was cancelled.

The claims were rejected under 35 USC 101 as claiming the same invention as U.S. Pat. No. 6,404,567. The claims have been amended to require solder bonding. Thus, the claimed inventions are now different from that prior patent.

For the foregoing reasons, the present claimed invention is distinguishable over the claims of the applied references. Withdrawal of the rejections is requested.

Applicants believe that the present application is in condition for allowance. A Notice of Allowance is respectfully solicited. Should any questions arise, the Examiner is encouraged to contact the undersigned.

Respectfully submitted,

AXSUN TECHNOLOGIES, INC.
